

party requested a review. On June 27, 2012, Suruga timely withdrew its request for a review of the Order with respect to Misumi. *See* Letter from Suruga to the Secretary, “Stainless Steel Bar—Withdrawal of Request for Administrative Review,” dated June 27, 2012.

#### Rescission of Review

In accordance with 19 CFR 351.213(d)(1), the Department will rescind an administrative review, “in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review.” As explained above, Suruga withdrew its request for a review of the Order with respect to Misumi within the 90-day period articulated in 19 CFR 351.213(d)(1). Therefore, because we received no other requests for review of this company and Suruga withdrew its request within the time limit provided in the regulation, we are rescinding the administrative review of the Order with respect to Misumi in accordance with 19 CFR 351.213(d)(1).

#### Assessment Rates

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. For Misumi, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period February 1, 2010, through January 31, 2011, in accordance with 19 CFR 351.212(c)(2). The Department intends to issue appropriate assessment instructions to CBP within 15 days after publication of this notice.

#### Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or

destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: July 11, 2012.

#### Description of Certified Conduct

PAN-PEQ is certified to engage in the Export Trade Activities and Methods of Operation described below in the following Export Trade and Export Markets.

#### Export Trade

#### Export Markets

Chicken leg quarters for which awards will be made will be exported to the Republic of Panama.

#### Export Trade Activities and Methods of Operation

With respect to the conduct of Export Trade in the Export Markets, PAN-PEQ may, subject to the terms and conditions set forth below, engage in the following Export Trade Activities and Methods of Operation:

1. *Purpose:* PAN-PEQ will manage on an open tender basis the tariff-rate quotas (TRQs) for poultry products granted by the Republic of Panama to the United States under the terms of the United States-Panama Trade Promotion Agreement or any amended or successor agreement providing for Panamanian poultry TRQs for the United States of America. PAN-PEQ also will provide for distributions of the proceeds received from the tender process to support the operation and administration of PAN-PEQ and for the benefit of the poultry industries in the Republic of Panama and the United States.

2. *Administrator.* PAN-PEQ shall contract with a neutral third party Administrator who is not engaged in the production, sale, distribution or export of poultry or poultry products and who shall bear responsibility for administering the TRQ System, subject to general supervision and oversight by the Board of Directors of PAN-PEQ.

3. *Open Tender Process.* PAN-PEQ shall offer TRQ Certificates for duty-free shipments of chicken leg quarters to the Republic of Panama solely and exclusively through an open tender

process with certificates awarded to the highest bidders (“TRQ Certificates”). PAN-PEQ shall hold tenders in accordance with tranches established in the relevant regulations of the Republic of Panama, or in the absence of such, at least once each year. The award of TRQ Certificates under the open tender process shall be determined solely by the Administrator in accordance with Paragraphs 1 and 8 of the Export Trade Activities and Methods of Operation without any participation by the Board of Directors.

4. *Persons or Entities Eligible to Bid.* Any person or entity incorporated or with a legal address in the United States of America shall be eligible to bid in the open tender process.

5. *Notice.* The Administrator shall publish notice (“Notice”) of each open tender process to be held to award TRQ Certificates in the *Journal of Commerce* and, at the discretion of the Administrator, in other publications of general circulation within the U.S. poultry industry or in the Republic of Panama. The Notice will invite independent bids and will specify (i) the total amount (in metric tons) that will be allocated pursuant to the applicable tender; (ii) the shipment period for which the TRQ Certificates will be valid; and (iii) the date and time by which all bids must be received by the Administrator in order to be considered (the “Bid Date”); and (iv) a minimum bid amount per ton, as established by the Board of Directors, to ensure the costs of administering the auction are recovered. The Notice normally will be published not later than 30 business days prior to the first day of the shipment period and will specify a Bid Date that is at least 10 business days after the date of publication of the Notice. The Notice will specify the format for bid submissions. Bids must be received by the Administrator not later than 5 p.m. EST on the Bid Date.

6. *Contents of Bid.* The bid shall be in a format established by the Administrator and shall state (i) the name, address, telephone and facsimile numbers, and email address of the bidder; (ii) the quantity of poultry bid, in metric tons or portions of metric tons; (iii) the bid price in U.S. dollars per metric ton; and (iv) the total value of the bid. The bid form shall contain a provision, that must be signed by the bidder, agreeing that (i) any dispute that may arise relating to the bidding process or to the award to TRQ Certificates shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules; and (ii) judgment on

any award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

7. *Performance Security.* The bidder shall submit with each bid a performance bond, irrevocable letter of credit drawn on a U.S. bank, cashier’s check, wire transfer or equivalent security, in a form approved and for the benefit of an account designated by the Administrator, in the amount of \$50,000 or the total value of the bid, whichever is less. The bidder shall forfeit such performance security if the bidder fails to pay for any TRQ Certificates awarded within five (5) business days. The bidder may choose to apply the performance security to the price of any successful bid, or to retain the performance security for a subsequent open tender process. Promptly after the close of the open tender process, the Administrator shall return any unused or non-forfeited security to the bidder.

8. *Award of TRQ Certificates.* The Administrator shall award TRQ Certificates for the available tonnage to the bidders who have submitted the highest price conforming bids. If two or more bidders have submitted bids with identical prices, the Administrator shall divide the remaining available tonnage in proportion to the quantities of their bids, and offer each TRQ Certificates in the resulting tonnages. If any bidder declines all or part of the tonnage offered, the Administrator shall offer that tonnage first to the other tying bidders, and then to the next highest bidder.

9. *Payment for TRQ Certificates.* Promptly after being notified of a TRQ award and within the time specified in the Notice, the bidder shall pay the full amount of the bid, either by wire transfer or by certified check, to an account designated by the Administrator. If the bidder fails to make payment within five (5) days, the Administrator shall revoke the award and award the tonnage to the next highest bidder(s).

10. *Delivery of TRQ Certificates.* The Administrator shall establish an account for each successful bidder in the amount of tonnage available for TRQ Certificates. Upon request, the Administrator will issue TRQ Certificates in the tonnage designated by the bidder, consistent with the balance in that account. The TRQ Certificate shall state the delivery period for which it is valid.

11. *Transferability.* TRQ Certificates shall be freely transferable except that (i) any TRQ Certificate holder who intends to sell, transfer or assign any rights under that Certificate shall publish such intention on a Web site

maintained by the Administrator at least three (3) business days prior to any sale, transfer or assignment; and (ii) any TRQ holder that sells, transfers or assigns its rights under a TRQ Certificate shall provide the Administrator with notice and a copy of the sale, transfer or assignment within three (3) business days.

12. *Deposit of Proceeds:* The Administrator shall cause all proceeds of the open tender process to be deposited in an interest-bearing account in a financial institution approved by the PAN-PEQ Board of Directors.

13. *Disposition of Proceeds.* The proceeds of the open tender process shall be applied and distributed as follows:

A. The Administrator shall pay from tender proceeds, as they become available, all operating expenses of PAN-PEQ, including legal, accounting and administrative costs of establishing and operating the TRQ System, as authorized by the Board of Directors.

B. Of the proceeds remaining at the end of each year of operations after all costs described in (i) above have been paid.

(a) Fifty percent (50%) shall be distributed to fund export market development, educational, scientific and technical projects to benefit the United States poultry industry. PAN-PEQ shall accept proposals for the funding of projects approved by the Board of Directors of USAPEEC. The Administrator shall disburse funds to those projects approved for funding by the PAN-PEQ Board of Directors.

(b) Fifty percent (50%) shall be distributed to fund market development, educational, scientific and technical projects to benefit the poultry industry of the Republic of Panama. PAN-PEQ shall accept proposals for funding of projects approved by the Board of Directors of ANAVIP. The Administrator shall disburse funds to those projects approved for funding by the PAN-PEQ Board of Directors.

14. *Arbitration of Disputes.* Any dispute, controversy or claim arising out of or relating to the TRQ System or the breach thereof, including *inter alia*, a Member’s qualification for distribution, interpretation of documents, or of the distribution itself, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

15. *Confidential Information.* The Administrator shall maintain as confidential all bids, their contents,

export documentation, or other business sensitive information submitted in connection with application for PAN-PEQ membership, bidding in the open tender process or requests for distribution of proceeds, where such documents or information has been marked "Confidential" by the person making the submission. The Administrator shall disclose any such information only to: (a) An external auditor retained for purposes of auditing auction results and proceeds; (b) an authorized neutral third party, or, (c) an authorized government official of the United States or of the Republic of Panama, and only as necessary to ensure the effective operation of the TRQ System or where required by law (including appropriate disclosure in connection with the arbitration of a dispute). However, after the issuance of all TRQ Certificates from an open tender process, the Administrator shall notify all bidders and shall disclose publicly (i) the total tonnage for which TRQ Certificates were awarded, and (ii) the lowest price per metric ton of all successful bids.

16. Annual Reports. PAN-PEQ shall publish an annual report including a statement of its operating expenses and data on the distribution of proceeds, as reflected in the audited financial statement of the PAN-PEQ TRQ System.

#### Terms and Conditions

2. "PAN-PEQ" will ensure that the Administrator holds the auctions in accordance with tranches established in the relevant regulations of the Republic of Panama, or in the absence of such, at least once each year. Failure to so hold auctions may result in revocation of the Certificate.

3. "PAN-PEQ" will comply with requests made by the Secretary of Commerce on behalf of the Secretary or the Attorney General for information or documents relevant to conduct under the Certificate. The Secretary of Commerce will request such information or documents when either the Attorney General or the Secretary of Commerce believes that the information or documents are required to determine that the Export Trade, Export Trade Activities and Methods of Operation of
